

Surviving Engine Failures and Fires in Flight -A Pacific Coast Flyers Event!

Come spend 90 minutes with an expert who will teach you how you can survive these two worst case scenarios. This hands on entertaining class is based on the real-life experiences of the master instructor and you will leave with valuable tools to help you survive.

Directions: The meeting will be held at the Palomar Airport Administration Building which is the first structure on the left as you enter the airport property. Please proceed past the building to the main parking lot which is down a short grade on the left.
